Vocation Spotlight - Alicia Holmes

Previously, I was working part-time as a Methodist Outreach Worker in Elmsett and Holbrook. This would entail setting up and leading Messy Church and toddler groups in both places, as well as taking school assemblies - I realised that this would suit me really well. I'd always been an ideas person who loved building relationships, being part of a community and being hospitable. It was a great opportunity to learn how to welcome new people to church in new ways. When I got the job, I didn't think about it in terms of pioneering - but actually that was exactly what I was doing.

I went on the Mission Shaped Ministry course which introduced me to the 'missional journey' and taught me how to start new worshipping communities, or Fresh Expressions of church. In those days it was run ecumenically, and I learnt so much from the teaching and from other participants. It was great to meet like-minded people and to discover how to help new people to discover that God is relevant to their lives.

I needed to work full-time and felt led by God to apply to be Chaplain at Norwood residential home in Ipswich. Then in 2019 I saw the job of Pioneer Developer with Inspiring Ipswich advertised - here was an opportunity to pioneer two new worshipping communities and to enable others to do the same across Ipswich Deanery. As well as leading Fresh Expressions of church, I would be involved in training people to join in with God's mission in Ipswich. It would also entail teaching people how to grow as Christian leaders and helping them to learn how to pioneer and develop new worshipping communities which would reach new people in new ways.

After a process of missional listening I felt led by God to set up a Messy Church as well as a well-being worshipping community which has become Wellsprings Well-being Café which meets every Thursday at St Peter's Stoke Park in Ipswich. Our area also set up a Top-Up Shop with the offer of an optional interactive prayer time, this has been a great gateway to welcome those who are interested in finding out more about faith to other worship opportunities at St Peter's including Messy Church, Wellsprings, Wellsprings Pilates and Sunday church. It is so encouraging to see the impact that new worshipping communities can have on the lives of individuals as they discover the joy and peace of

getting to know God for themselves and journeying with him through the ups and downs of life.

A Fond Farewell to Archdeacon Jeanette

Well-wishers turned out in force to give a fitting send-off for the retirement of the Ven Jeanette Gosney, Archdeacon of Suffolk, who has loved seeing churches grow and support their local communities. The farewell service was held in St Michael's Church, Framlingham on Sunday 23 April 2023.

Bishop Martin paid tribute, "*She was an outstanding addition to the Diocesan leadership team and brought strong pastoral gifts, a commitment to the mission of the local church, and a readiness to help churches seize opportunities and develop creative solutions as they grew in faith and service. Jeanette was a much loved and respected archdeacon who used her life skills to enhance the Church of England in Suffolk.*" To read the full story, [please click here.](#)

Thank you. "*I simply want to say a big 'thank you' to everyone who sent me good wishes, gifts and cards, and especially the people of Suffolk Archdeaconry for their generosity, on my retirement as Archdeacon of Suffolk. It was wonderful to see so many at my farewell service. I have enjoyed being archdeacon and will continue to pray for the archdeaconry as Rich Henderson takes up the role. With my prayers and best wishes*" - The Ven Jeanette Gosney.

Celebrating the Coronation weekend

6 - 8 May 2023

This is an historic moment in the life of our nation and an opportunity to bring communities together. Building on common themes of community, faith and service, it will be a celebratory moment, and a chance to share an invitational message about the Christian faith and show the church as a dynamic Christian presence at the heart of community life in 21st Century Britain. To access the resources please visit the website [here](#). This page, along with our own Coronation website page with local details available [here](#), will be updated regularly.

Bishop Martin spoke about the Coronation on BBC Radio Suffolk on 23 April, about the Coronation. He said:

"I was struck yesterday whilst attending a wedding, as I realised that weddings catch us up into a sense of hope and looking forward, and the Coronation in a global way has that same dynamic to it. Whilst it is rooted in the most extraordinary traditions, it is about looking forward and the hope that we have for our nation and for the world. It is an event that will capture the hearts and imaginations of people across the world, as well as within this country."

Coronation Prom: On Coronation Day (Saturday 6 May), the Royal Albert Hall will be filled with 5000 people for The Coronation Prom – a celebration of the King of Kings with the 120-piece All Souls Orchestra, and 400-voice choir. St Edmundsbury and Ipswich Music Development Director Richard Hubbard has composed an arrangement of the hymn 'Crown Him With Many Crowns', which will be performed at the concert. Richard says: *"It's a great honour to have my arrangement played at the Royal Albert Hall on this once-in-a-generation occasion. My aim has been to make the orchestration highlight the words - to bring them to life in a new way that will inspire people to worship as they sing".*

You can watch the whole concert live at allsoulsmusic.org. Streaming starts at 7.00pm with behind-the-scenes interviews and celebrity guests, leading into the concert itself at

7.30pm. Thereafter it will be available on [YouTube](#). To listen to a short excerpt of the hymn, [please click here](#).
