A Message from Bishop Martin on the eve of Accession Day

The past year has been significant in the life and history of the nation. This Friday marks the first anniversary of the death of Her Late Majesty Queen Elizabeth II, and the Accession of King Charles III. I warmly encourage everyone to join me in praying for our King and Queen, for the whole Royal Family, and our nation, as we reflect at this time. Looking back, we continue to give thanks for the life and faith of Queen Elizabeth. Looking ahead to the future, we pray for the King that God will comfort and strengthen him, and us, in the service of the common good.

God Save the King.
With every blessing,

Prayer for HM The King

Almighty God, the fountain of all goodness,
bless our Sovereign Lord KING CHARLES,
and all them that are in authority under him;
that they may order all things in wisdom and equity,
righteousness and peace,
to the honour of thy name,
and the good of thy Church and people;
through Jesus Christ our Lord.
Amen.

Education Sunday 10 September 2023

Jane Sheat, Diocesan Director of Education writes: "Education Sunday is a National Day of Prayer and celebration for everyone in the world of education. I am so grateful for all that our churches do to serve and support schools, through pastoral support, collective worship, visits and services held in churches. This is faithful work, built on relationships. Education Sunday prompts us to thank God for and to pray for all those in education. Please do pray for your local school, its staff and pupils, as a new school year begins, and throughout the year." Please click the links below for resources:

[Pray for Schools](#)

Foundation Governors are important to the ministry of the Church, as they preserve and develop the religious character of their schools. There are 87 Church of England schools in our Diocese and these schools need governors who want to help schools to flourish. We are recruiting volunteers to serve as governors. If you would like to make a difference, please take a look at the '[Becoming a School Governor](#)' resources on our website.

We are also delighted that St Mary le Tower was chosen by the Church of England to produce a Choral Matins service for Education Sunday. This was recorded last year and will be released at 9.00am on Sunday on the Church of England YouTube channels [here](#).

Cost of living creates queues for church top-up shop

Volunteers at a Suffolk church have been praised for providing a vital top-up shop attracting nearly 100 people who queue at breakfast to buy essential food.

The shop at St Matthew's Church, Ipswich, has been operating since the Covid pandemic struck and now attracts long queues every Thursday morning. Food which has been collected from major supermarkets is offered, ranging from fresh fruit and vegetables to cans of tuna, soup, packets of cereals and bread – with shoppers filling a bag for £2.

Demand remains consistently high which, says the Church of England, is a sad reflection on the deepening cost of living crisis. In fact demand for food and other essential items is greater than the volunteers receive from the supermarkets, and they have been grateful for financial support from local government and other charities as well as the money raised

from 'shoppers,' to enable the volunteers to purchase supplementary food. To read more on this story please visit our [website here](#).
