

## **Generous God, Generous People**

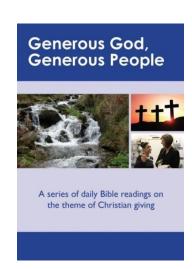

'Generous God, Generous People' has been written to help us reflect on what it means to live as generous Christians. There are two resources; a five week course of daily bible readings for personal use and a four session series for use with home groups. Both are available to purchase or to download for free.

- Generous People
- Generous Giving
- · Generosity towards others
- Principles for Generous people to live by

"We greatly welcome the launch of Generous God, Generous People. The five weeks of readings provide daily insight into the generosity of God, and the challenge to respond – which come together as a powerful stimulus to change in our thoughts and actions." National Stewardship Committee, March 2015.
