News from the Diocese

Dear colleagues,

The return to school this September has been like no other. I am full of admiration for Headteachers and staff who have worked so hard to ensure a safe and welcoming return. Pupils are pleased to be back in school and the importance of education has never been greater. I am very aware of the ongoing pressures on schools and we continue to offer support and provide opportunities for Headteachers and governors to come together.

It was good to read in the TES of the Archbishop of Canterbury's concerns for school funding and for disadvantaged pupils - please click [here](#). Please know that you are part of a much bigger family of Church of England schools across the country.

Within the diocese, the Diocesan Board of Education (DBE) has recently approved a number of new resources which we hope will be helpful to you. Gemma Kingston's excellent resources on collective worship have been proving very useful, I know. These went out directly to Headteachers, RE subject leaders and to clergy in September and can be found [here](#). Gemma has also written a really helpful guide to developing a Christian vision for your school, which can be found [here](#). I am indebted to the Diocese of Coventry which has written a very helpful guide on responding to racism in schools which it has kindly allowed us to use in our diocese and can be found [here](#). We have been thinking for some time about how best to support schools in discussing this issue and I am delighted to commend this resource to you.

Our training programme is on our website (further details opposite) and I would encourage you to have a look and book on any courses which interest you. May I especially commend our conference on 18 November, to which you are warmly invited? Bishop Mike will be speaking and Jon Neal, CEO of Suffolk Mind will speak about wellbeing. We are running courses by Zoom this term, which does have the benefit of saving time and travel, although we miss seeing you face to face. We are very happy to visit you in schools if you would like us to, but will at all times respect your wishes and are equally happy to meet via Zoom as you prefer.

Collective Worship planning

Gemma Kingston has put together guidance for class/ bubble based worship for this term. The guidance is available on the Diocesan website - please click [here](#).

I am grateful to those who helped in the recruitment of a new Deputy Diocesan Director of Education to replace Karen Harman. Karen has very kindly stayed on a term after her planned retirement and will now leave at Christmas. I am delighted to announce the appointment of Sue Todd, who will start work in January, working three days a week. A number of you will know Sue, who was Headteacher at St Matthew's CEVAP School in Ipswich until July 2019. I look forward to Sue joining the team and meeting many of you.

As I write, this is harvest season, when we give thanks to God for his goodness. We would normally have gathered at the cathedral for our annual service of thanksgiving for church schools but decided to postpone our service, which was due to take place on 11 October, until Sunday 18 April 2021. This year schools and churches have had to be innovative in how to celebrate harvest thanksgiving, and we are seeing some creative ways of helping others in our wider communities. When all around is so uncertain, I am struck more than ever this year by God's faithfulness and steadfast love.

Please be assured of our ongoing support for you.

With all good wishes from all the team,

Jane Sheat
Diocesan Director of Education

Admissions 2022-2023 - for VA schools and academies

It is that time of year when we have to look ahead to Admissions policies for 2022-23. If you plan to make any changes to your Admissions policy that would **advantage or disadvantage any children** then governors need to decide that now so a formal consultation can be held. The consultation window is **1 October 2020 to 31 January 2021** and Karen will run this with you.

Dates, definitions and general rewording does **not** require consultation, the key thing is that consultation takes place if children's chances of gaining a place are affected.

Please ensure that governors determine the policy at a **FGB/LGB meeting and that this is clearly minuted.**

Please contact [Karen](#) for support or if you have any queries.

Tel: 01473 298541 | Mob: 07917 390362

For more information about our courses, please visit the [Diocesan website](#); or contact [Jacqui Studd](#).

Dates for your diary:

Wednesday 18 November 2020

This year's church school leaders' conference will be a half day online conference. Bishop Mike and Jon Neal, CEO Suffolk Mind, are the speakers.

Sunday 18 April 2021

We are hoping to hold our annual church schools education service at the Cathedral at Bury St Edmunds.

Congratulations to staff and pupils at **St Gregory CEVCP School** who have looked at Harvest a little differently this year. As they were unable to hold a Harvest Service at St Gregory's Church, bring donations of food to distribute to local charities, and share God's gift of food, they decided to share something else that He gave us instead - hope.

Daniel Woodrow, Headteacher: "Each class has discussed what makes them hopeful and the children have produced prayers, pictures, poems and posters around those ideas for our 'Harvest of Hope'. We are going to use them to make cards to send out to friends, family and the local community and we have also used them to make this video." To see the Harvest of Hope video please click [here](#).

Further congratulations to **St Gregory** for being awarded the Lord Lieutenant of Suffolk Award for the school's work during lockdown. Also for being featured in the TES for their idea for T6 leavers last term. The school created iron-on transfers of children's signatures to decorate school shirts. For more, please see the [TES](#). The school also created a virtual video celebration for students to say goodbye to their teachers and school friends at the end of last term. For more please see the [EADT](#)

Congratulations to **Stoke by Nayland CofE Primary School** which has a new ICT suite and has made extensive improvements in other areas including a 'Hideout Hub' and a spiritual garden. For more, please see the [EADT](#).

Congratulations to **Thorndon CEVCP School** for adopting a rainbow values' system, with each colour representing one of seven different principals that are used to help oversee school life. The values include responsibility, perseverance, co-operation, kindness, friendliness, honesty and respect. The values are now featured on school uniforms and the school logo. For more on this story, please see the [Diss Express](#).

The ABYYT has also produced **Be Rooted**, a series of five free resources aimed at supporting pupils returning to school post-lockdown and helping them stay strong and 'be rooted' throughout the inevitable challenges of this autumn term (and beyond.)

Prayers for School Leaders

Father of mercy and everlasting love,
Create in us the confidence
To approach you in our time of need.
Lift up our heads when we feel bowed down,
And help us to fix our eyes solely on you.
So that we may lift up heads,
And instil confidence
In our children, in our staff, in our parents,
And in our wider community.
In your loving mercy, please hear our prayer.

Father of compassion and all wisdom,
Send to us the reassurance
To know that you always hear us.
Grant us security when we feel uncertain,
And help us lean firmly on your everlasting arms.
So that we may relieve weariness,
And encourage hope
In our children, in our staff, in our parents,
And in our wider community.
In your loving mercy, please hear our prayer.

For the sake of our saviour, Jesus Christ,
Who has made a way for us to enter
Your rest, your grace, your comfort and your peace.
To him be glory forever
Amen
