

# Prayer for Growing Younger Sunday

Loving Lord

On this day we give thanks to you for our children & young people; for their vibrancy; their passion; their sense of injustice, and their desire to build a better world.

We ask your forgiveness for the times we have overlooked them or not considered them.

We thank you for them.

Loving Lord

On this day we pray that we, your Church, might continually work to create places where children and young people feel that they truly belong, where they can offer gifts and share in witness to your kingdom.

Help us to grow leaders who will love and care; teach and inspire our young ones.

We ask that we may learn from them.

Loving Lord

We ask that Your light shine brightly through our children and young people.

Strengthen them to be proud witnesses for Your kingdom and shining examples to all they meet.

Help them to always walk in your Spirit and live by faith.

We ask that we may, with them, serve you in the world with love and faith and hope.

Through Jesus Christ our Lord. Amen.
