

Statistics for Mission: January to December 2020

Church name:	Parish name:
Deanery:	Diocese:

Due to the COVID-19 pandemic many of our church buildings were closed for a large part of 2020. We recognise the huge upheaval that churches have been through, and the amazing creativity and resilience that churches have displayed in continuing to offer worship and pastoral support to their congregations and parishioners during this difficult time.

Where possible we've tried to keep this Statistics for Mission form as close as we can to last year's form. However, we have removed some questions that do not really apply to the situation during 2020, and have included a few new questions about your church's response to the pandemic. We hope that most questions will be simple to answer, but we recognise that other questions might be difficult to answer in your context. We're keen to find out anything you can tell us, and your best approximation is fine if you don't have precise numbers. Please don't worry about anything you don't feel able to answer.

Reminder: please complete this form online if possible

<https://parishreturns.churchofengland.org/>

The online returns system includes existing information about your church. It automatically checks for typographical errors and minor mistakes and gives you the opportunity to revise your figures before final submission. You can see the data for your church over time and download copies for your records.

- ✓ Please complete this form for your **Church**. If there is more than one church in your parish, then please complete and submit a separate form for each church
- ✓ Where activities – e.g. acts of worship in schools or conducting funeral services at crematoria - are shared between several churches then please ensure, where possible, that they are only reported once
- ✓ Questions 1a and 1b about the **Electoral Roll** refer to the **ecclesiastical Electoral Roll**. Question 1a asks about the ecclesiastical Electoral Roll for your **parish**. Question 1b is optional and only applies if you are in a multi-church parish AND keep a separate roll for your church
- ✓ **Fresh expressions of Church** should be included in your numbers, unless they have submitted a separate return. For help in identifying fresh expressions of Church please use the "Choice tree" at the end of this form or visit <https://freshexpressions.org.uk/about/what-is-a-fresh-expression/>
- ✓ Please complete all questions as far as possible, using "0" or "unknown" or "no services" if necessary. Unless otherwise indicated, empty fields will be treated as incomplete and may be queried later as missing data
- ✓ In rare circumstances where a single congregation worships evenly between several churches (i.e. there is no difference in who attends and how often at each church), a single return may be submitted. The churches included in the return should be noted below

A single return is submitted on behalf of (please list all included churches here, with church codes if known*):

‘Church at Home’ Services

Churches have responded in many ways to continue to offer worship and pastoral support through lockdown. For some churches this has included offering some kind of ‘Church at Home’. By this we mean “any and all services offered remotely”, including online services (live streamed or pre-recorded), services by telephone, or services that were emailed or posted. These services may be participated in from home or in some cases from another location such as a hospital or whilst on holiday. For some churches the focus has been pastoral care and practical ministry, with people being referred to ‘Church at Home’ services from elsewhere, such as from other local churches or the cathedral.

5. What ‘Church at Home’ services did your church offer or refer people to during lockdown (March 2020 –July 2020) and what has your church offered during October 2020? You may have offered these at church, parish or benefice level or working in other groups of churches.
