This event has been enormously successful in the past. The training session is aimed primarily at new or nearly new churchwardens, but experienced ones invariably find that there is always something new to learn. The sessions are also open to anyone who might have reason to think that he or she could be a churchwarden before long!

The session covers Churchwardens' tasks and legal responsibilities, issues about building maintenance and faculties and many other related issues. There is always an opportunity for Question and Answer sessions.

Events will be led by the Archdeacon with contributions from the Diocesan Registrar.
