

ST THOMAS IPSWICH

COMMUNITY CHAPLAIN

Part-time Job Vacancy

WHY A COMMUNITY CHAPLAIN?

This role has been created to enable the post-holder to explore their vocation to the priesthood and other vocations. Our aim is to give the right candidate the opportunity to discern the call God has placed upon their life and to follow it faithfully.

We are a parish situated in an estate on the outskirts of Ipswich where there is much need and deprivation. One of our key aims as a church is to show the love of Christ by fulfilling our call to be an incarnational presence within our community. To do this, we run a 'Top Up Shop' (food pantry), Wellbeing Café, and a successful Youth Group, while also inviting all to be aware of God's grace and unending love.

The role of the Community Chaplain would be to enter into the life of this Parish for up to 2 years (subject to funding for the second year) and explore Catholic estate ministry which has a focus on social justice and sacramental, incarnate living. We believe this would be the perfect opportunity for someone who is exploring their call to the priesthood or another ministry. Our hope is also that the variation in the working week will provide a stimulating and challenging post which also allows for time for prayer and individual reflection.

We would hope that the person appointed would feel confident enough in their own faith to lead some of our catechesis with our young people and to help deepen the faith of the more mature within our congregations. Our understanding of ourselves is that we are small but mighty and follow God's call with all our heart. We believe we are the perfect place for someone to explore their call as we are very down to earth and do our best to help all to flourish and grow at their own pace.

We wish to thank The Lady Peel Trust for their assistance in part-funding this post and also the Inspiring Ipswich Project for all their support.

ABOUT US

Haven Advent Youth Worship

We are a welcoming, vibrant, inclusive catholic church with a congregation of all ages. We have a passion to provide more opportunities for our local community to thrive. We love food and eating together and are always looking to meet new people.

Who We Are

We are an energetic and dynamic, catholic congregation of around 70 people who worship together but are also like one big family, who love to have fun!

Our church building was built in 1937 and is very versatile. We have no fixed pews and the space is large. We would love to see our space used more during the week to better serve our community in the North West of Ipswich.

Everyone is welcome here, we pride ourselves on our inclusivity and diversity and we are working hard on the Diocesan vision to grow in number and grow younger.

Our vision is to develop the Church into a community hub, we have already started a wellbeing café and 'Top Up' shop (foodbank).

St Thomas serves a population of around 11,000 people in the deanery of Ipswich (IMD 2364) and is part of the Inspiring Ipswich initiative across the town which aims to help 7500 people explore faith, 1500 become disciples and see 25 new worshipping communities started.

What We Do

We worked really hard during the pandemic to remain in contact with our families and young people. We offered Messy church in a bag and offered children's activities at services in a covid friendly way!

As soon as we were able to, we started a Messy Church which has been running every 6 weeks since December 2021. We have seen good attendance at this grow with an average of 50 people joining us at each one.

On Sunday mornings during the main Eucharist service, we run Talk and Toast for U16s where we eat together and talk about Jesus. We are about to launch a Youth Talk and Toast alongside the existing group. We also run a youth group that meets every Thursday and have begun a monthly youth-led worship evening called Haven.

In September 2023, we are starting Flourish which is our next step after Youth Group, a space for anyone between 17-35 to find community, fellowship, and faith.
