February 2022

News from the Diocese

Dear colleagues,

As we approach February half-term, I am very aware of how challenging this term has been, with high levels of Covid-related and other absence among staff and pupils. On behalf of the Diocesan Board of Education, which met last week, may I express our thanks and appreciation for all that you are doing in church schools across the diocese? I hope that next week offers some respite.

We await the publication of the DfE's White Paper and its implications for schools. In the meantime, I am pleased that SIAMS inspections have been paused for January and February in the light of Covid absence, whilst Ofsted encourages schools to request a deferral if cases are high. Cases are beginning to fall, after a peak, and let us hope that they continue to do so.

It was good to welcome Colin Tapscott to our Headteacher forum last month. Please read on for Colin's four key elements to leaders' wellbeing (four Cs) and other resources from Everyday Leader. It was also good to meet with Chairs of governors at our recent Chairs' forum. Thank you to all our governors for their vital work in supporting church schools.

We plan to hold our annual cathedral service for church schools in the summer term this year, on a weekday afternoon in term time rather than on a Sunday afternoon in October. If you have any comments, please let [Jacqui](#) know- there is no perfect time!

I was delighted to be able to join my fellow Diocesan Directors of Education (DDEs) recently in person for the first time since the pandemic. Whilst we have been meeting regularly on Zoom, it is no substitute for catching up in person. We are about more than the roles we fulfil- we share a commitment and our professional network sustains us. There are 39 DDEs in England and each of us has a responsibility for education in our own diocese. We serve in different places and contexts but all share the same faith and the same [vision for education](#). In the same way, our church schools in Suffolk each serve different local communities but share the same

purpose. I was encouraged by these words and hope you are, too:

"God has created me to do him some definite service; He has committed some work to me which he has not committed to another. I have my mission; I never may know it in this life, but I shall be told it in the next. I have a part in a great work; I am a link in a chain, a bond of connection between persons. He has not created me for naught. I shall do good, I shall do His work; I shall be an angel of peace, a preacher of truth in my own place, while not intending it, if I do but keep His commandments and serve Him in my calling."

John Henry Newman (1801-1890)

If we can help in any way, please do not hesitate to contact us.

With all good wishes from all the team,

Jane Sheat

News from Schools

Congratulations!

Congratulations to pupils at **Sir Robert Hitcham CEVAP School, Debenham** who were welcomed to an 'Experience Advent' by their local church. Nearly 60 children were split into small groups and invited to listen and respond to the stories of Mary, Joseph, the angels and the shepherds. The children were also able to see the sheep they had been making at school decorating the church.

Congratulations to all our church schools for putting on nativities in December. A number were featured in the local press including: Bardwell CofE Primary; Elmsett CofE Primary; Eyke CofE Primary; Ixworth CofE Primary, Old Newton CofE Primary and Trinity CEVAP, Stowmarket. For more, including some great pictures, please see [Suffolk News](#), [EADT](#) and [Ipswich Star](#).

Bardwell CofE Primary was also featured on Anglia News in December. The reporter, Tanya Mercer, sent the following message:

"Thank you so much to all the staff, parents and pupils for your time yesterday. It was utterly joyous and all your hard work paid off brilliantly! The school is such a lovely place and made us feel very welcome."

Congratulations to the Faith Council and pupils at **Hopton CEVCP School** who have raised £170.00 with a Shine a Light project to help those in need. The Faith Council had become aware of the emerging tragedy confronting children in Afghanistan and wanted to help.

With the School's current value being compassion, they were keen to promote a charity event, and so 'Shine a Light' was born. For more on this amazing story, please click [here](#).

Congratulations to **Bentley CEVCP School** which used the book 'An angel just like me' as a prayer and reflection activity before Christmas. Tyler struggled to find an angel for his tree which looked like him as they all have white skin and blond curls. The children explored diversity and designed their own Christmas cards for Tyler to represent diverse communities.

Congratulations to Mellis CofE Primary School

which celebrated Epiphany on the return from the Christmas break. The School's special service sees the School process around the grounds following a star, which is a tradition in many parts of the world. This year the School continued its practice of marking its doorways in the Christian tradition of 'chalking the doors'.

The markings of 20+C+M+B+22 were written by the children above the doors of the school and have two meanings: the first and last numbers represent the year while the C+M+B represent the initials of the three Kings (Caspar, Melchior and Balthazar), and also the Latin blessing 'Christus Mansionem Benedicat'-Christ bless this house'. Paul Ryle, Head said "This is a lovely start to the year as the School dedicates itself to God by asking for his blessing on the School and those within it - with a focus on helping them to work and learn together.

Congratulations to pupils in year 5 and 6 at Ixworth CofE Primary School

who helped Green Ixworth, the local environmental organisation, to plant 170 trees in the community in January. The trees will help reduce the noise and pollution for local residents.

This is the second time that pupils from the primary school have been involved in looking after their local environment. For more on this story, please click [here](#).

Finally, **Good luck** to pupils at the following church schools taking part in Celebration 2022 at Snape Maltings from 7 - 12 March 2022:

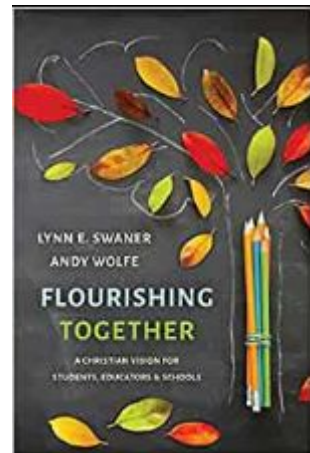

Bawdsey CEVCP, Charsfield CofE Primary, Kersey CofE Primary, Sir Robert Hitcham's CEVAP, Framlingham, St Gregory CEVCP, Sudbury, St Mary's CEVCP, Benhall, St Mary's CofE Academy, Mildenhall, Wilby CEVCP and Worlingham CEVCP.

Way Maker: Lent 2022

Way Maker takes pupils on a journey through Lent, reflecting on Jesus' ministry and his example of being a 'Way Maker' and serving others. The 6 sessions help pupils to explore what it means to be: servant-hearted, compassionate, accepting, bold, forgiving and a light in the darkness. Flourishing Together by Lynn Swaner and Andy Wolfe,

offers practical ideas and explores what flourishing schools can look like.

"The Flourishing Schools model is essential for all schools, not just those of faith, to reflect on and commit to their purpose within education. It provides an essential basis from which an authentic culture develops. This book should be a handbook not only for school leaders but for all educators who wish to commit and connect in a deeper manner to their purpose."

4 key elements (4C's) to wellbeing for leaders (also applies to humans too!)

- 1) **CLEAR** on our Purpose & Values and operating in them.
- 2) **CONFIDENT** in what we are doing. Equipped and empowered to lead from our strengths and partner on our weaknesses.
- 3) **in CONTROL** – we know what we can't control and focus on what we can control.
- 4) **CONCENTRATE** on where we need to bring balance. Life is constantly moving and sometimes things like sleep, diet, exercise, relationships, self-improvement get imbalance and we lose the energy we gain from them. Good wellbeing comes when we realise and invest time and energy back into the gap to replenish ourselves again.

The Schools Forum also acts as the principal focus for consultation with schools on matters affecting schools budgets, the Dedicated Schools Grant (DSG), and general financial issues affecting the local authority and children's services.
