## News from the Diocese

Dear Colleagues

I hope that this newsletter finds you well. We aim to provide news and information and to signpost you to training and resources which you will find helpful.

Members of the largest teaching union, the National Education Union (NEU) have voted for strike action in England over pay. This will take place over four days this term in our region: 1 February, 1 March and 15 and 16 March. The impact on schools will vary, from minimal impact to partial closure to full closure. Schools are working within DfE guidance (see below), seeking to recognise the right to strike and to minimise disruption to pupils' learning.

Whilst it remains this Government's ambition that all schools should be part of a strong MAT, the proposed timescale to bring this about by 2030 no longer exists as the Schools Bill will not now proceed. We await the Labour party manifesto but it seems likely that it will support the continuation of the current hybrid system of maintained schools and academies. I thought you might like to see a map of church schools in the diocese in our four church school MATs, please click [here](#).

As ever, putting the best interests of children at the heart of our decision-making is key. As the cost of living crisis continues, may I commend all efforts by schools and churches to support families? Asking parents is a first step in engaging with them. Food banks and pop up shops run by local churches and uniform and book sales and swap shops run by schools can all help. Do let us know of creative ways in which you are making a difference.

Our training programme is designed to support you. With a new Agreed Syllabus for RE in Suffolk from September 2023, please see especially Gemma Taylor's training courses.

The Church of England website provides many prayers, which I commend to you- available [here](#). Here is just one, an example of a simple and yet profound prayer -

**The Spring 2023 DARE (Diocesan Adviser's RE) bulletin** provides the latest in RE news and important updates including training available on the new RE syllabus, a vote on the new KS1 Emmanuel Project unit, and a look at the new SIAMS framework 2023. The bulletin is available on our [website](#) together with past issues.

**Lent and Easter**  
Gemma has collated resources for Lent and Easter - available on our website by clicking [here](#).

Creator God,  
you made us all in your image:  
may we discern you in all that we see,  
and serve you in all that we do;  
through Jesus Christ our Lord.  
Amen.

As a team, we are so grateful for all that you do to deliver a high quality education, deeply rooted in a Christian vision. Please do not hesitate to contact us if we can be of any help.

With all good wishes from all the team,

*Jane Sheat*
