News from the Diocese

Dear colleagues,

I hope that this newsletter finds you well. We aim to provide news and information, to share good news stories from schools and to signpost you to other organisations which you may find helpful.

It was a joy to attend Bishop Joanne's enthronement on Saturday. For more, please see our [website](#). We have sent schools a PowerPoint presentation which you may like to use to explain to pupils the role of a bishop. The powerpoint is also available [here](#).

In other diocesan news, I have recently decided to retire from my role at the end of July- please see our [website](#) for more. That will mark exactly 16 years in this wonderful role. I have loved working for the diocese and supporting schools and will miss lots of things, but especially the people! It is business as usual in the meantime but I did want to allow enough time for the diocese to be able to recruit successfully for the start of the new school year in September. The post is now being advertised. You can see the advert and pack on the diocesan website- <https://www.cofesuffolk.org/about-us/vacancies>

Our plan is for the diocese to recruit to the DDE role before the School Effectiveness Officer role so that the new DDE can be involved in appointing Phil Knowles' replacement, to start in September, too. In the meantime, Heather Hann is supporting schools for one day a week and Victoria (Tor) Bush is working an additional half day a week this term and next. I am grateful to them both.

In the meantime, it has been a joy to lead the Bible course with Revd Laura Mumford for heads and governors. This course has been developed by the Bible Society and provides an introduction to the whole Christian narrative, from Genesis to Revelation.

We are already looking forward to the Big Sing at the cathedral on 23 March. Many thanks to those schools which have already signed up. We also have our annual service at the cathedral on 15 June. Please see below for more details.

Congratulations!

Congratulations to pupils at **Bentley CEVCP and Copdock CP Schools** who launched a countdown to Christmas by continuing good deeds with a reverse Advent Calendar. Joanne Austin, Headteacher writes: "The children from Bentley and Copdock celebrated Advent in reverse this year, showing thanks for what they have by sharing it with others. Families took a numbered tag from our Christmas trees and donated a Christmas treat on that day to share with the Ipswich Minster Top Up Shop (IMTUS). To share the generous donations by our Advent elves we created an online calendar so everyone could see the children sharing their kindness! We all know kindness and thankfulness are not just for Christmas so children will be returning to IMTUS each month to support volunteers to serve the community."

Congratulations to **Charsfield CofE Primary** which held an annual Reverse Advent collection. The Trust writes: "Pupils and parents generously donated items for the Lighthouse Women's Aid charity to help those in need at Christmas. We invited Jo from the charity to our Collective Worship where we presented her with the donations and she explained that these items would be so useful to the families who come to them for support. This act of generosity reflects our Christian Values of friendship, responsibility and compassion."

Congratulations to **Fressingfield CofE Primary School** for being awarded the East of England regional winners trophy as part of the Fonetti Summer Read-Aloud Challenge. The summer reading challenge encourages children to continue reading for pleasure during the school holidays,

The pupils answered questions thoughtfully and behaved beautifully throughout - we were very proud of them."

Congratulations to **Norton CEVC School** on recent successful fundraising events. The school writes: "One of the school's Christian Values is community and it was displayed in abundance during the autumn term. During these events there was an opportunity to donate to East Anglian Children's Hospice (EACH) and we raised £376 from the carol services, performances and jumper day. We also celebrated Children in Need, raising £238 and an amazing £341.10 for the Royal British Legion through purchasing poppies and other merchandise."
