Monitoring RE for governors

Suitable for church school governors

This **free** training session will help you to understand your role as Governor in supporting your school with RE.

Together, we will look at how you can monitor the subject effectively, including talking to pupils, looking at RE learning, talking to staff and supporting the RE subject leader.

There will be opportunities throughout to ask questions.

There are also other sessions for governors about monitoring generally and also specifically on SEND, pupil premium, curriculum, EDI and SIAMS. Please visit our website for more information:
