

THE CHURCH
OF ENGLAND
SUFFOLK

Is God calling you to this role?

RECTOR DESIGNATE OF THE CONSTABLE
COUNTRY BENEFICE

East Bergholt, Brantham, Bentley & Tattingstone

We are a new grouping of four churches located in picturesque Constable Country between Colchester and Ipswich. We want to grow deeper in faith and numbers together serving our local communities so that God may be glorified, and others may come to know the love of Jesus. We are praying for someone who will help us to:

- develop a clear vision for the future and who is both a great team leader and a team player
- grow younger and be active in the community, making a difference
- see our church buildings become viable for wider use
- explore ways of reaching out into the villages
- develop our online ministry and use of technology.

We offer a good detached five-bedroomed vicarage in Brantham, an experienced administrator, committed ministry team and enthusiastic congregations. Can you help us to embrace change and look to the future with faith and confidence?
