and Ipswich**

Role description signed off by: Archdeacon of Sudbury

Date: January 2023

To be reviewed 6 months after commencement of the appointment, and at each Ministerial Development Review, alongside the setting of objectives.

<b>1 Details of post</b>	
Role title	Rector of the Claydon Benefice
Name of benefice	Claydon Benefice
Deanery	Gipping Valley
Archdeaconry	Sudbury
<i>Initial point of contact on terms of service</i>	Archdeacon of Sudbury, The Ven Dr David Jenkins

<b>2 Role purpose</b>
<b>General</b>
To share with the Bishop both in the cure of souls and in responsibility, under God, for growing the Kingdom in this benefice.
To ensure that the church communities in the benefice flourish and engage positively with 'Growing in God' and the Diocesan Vision and Strategy.
To work together as the Rector to this benefice, having regard to the calling and responsibilities of the clergy as described in the Canons, the Ordinal, the Code of Professional Conduct for the Clergy and other relevant legislation.
To work with the ordained and lay colleagues as set out in their individual role descriptions and work agreements, and to ensure that, where relevant, they have working agreements which are reviewed. This involves discerning and developing the gifts and ministries of all members of the congregation.
To work with the PCCs towards the development of the local church as described in the benefice profile, and to review those needs with them. To recognise and value the individuality of each community.
To ensure that a high standard of worship, preaching, and pastoral care is provided.
To work together, as appropriate, with other Christian denominations which have a presence in the parishes and the wider deanery.

<b>Schools</b>
To work closely with the local schools, particularly the High school and two primary schools. The diocese is committed to working with both community and church schools and this should be seen as a key part of the priest's role.
<b>Specific tasks and responsibilities</b>
Develop and exercise a local episcopal oversight role, working collaboratively with the ministry team to enable effective and fruitful ministry across the whole benefice.
Working with the parishes, develop a shared vision and plans for Growing in God; encourage lay participation in services; identify and develop people's talents.
Share the Christian faith with people of all ages and work with parishes to widen the age profile of congregations through building on some of the initiatives already implemented.
Teach and encourage an understanding of Christian stewardship across the benefice.
Strengthen and encourage links with young people, families, and other groups of people including the newly retired to help expand outreach, and offer pastoral care and visiting capabilities for those in need such as the elderly, lonely and isolated.
Be willing to contribute to community life in all the villages of the benefice.
It is expected that you will help start two new worshipping communities in the parish/benefice within the first five years of the post, as part of the <i>Growing in God</i> strategy.
