

**Thursday 15 January 2026**

**Sally Gaze said farewell in her final service, as Archdeacon for Rural Mission**

The service was held last Sunday at St Edmundsbury Cathedral, where Sally has been a Canon and member of the Chapter. Sally has led the 'Growing in God in the Countryside' project which was funded by the national Church of England for the last seven years. The project has been focussed on helping people find faith in God in rural areas. The project supported creative developments in the countryside from pop up café and foodbanks in Forest Heath, to walking and pub meetings near Aldeburgh.

The service featured interviews with people who had been involved with the project. They spoke about how finding faith had helped them with mental health, drinking issues and/or helped them to discover their personal call to serve God in ministry. *"It has been a*

*great privilege to serve God in the beautiful county of Suffolk,"* said Sally, *"I've learned so much – especially to listen more and to trust people as they discern what is needed in their local area. The best thing for me has been seeing and hearing how many people's lives and circumstances have been transformed through prayer as they discover faith for the first time."*

The project has particularly drawn children and young people into faith and in the 2024 count, 657 new people had regularly joined a Christian community in a rural area because of the projects work, often through the Lightwave Community. Work begun by the rural project is continuing under new leadership – especially the Lightwave Community, now led by the Revd Diane Grano and rural chaplaincy continues to thrive with Graham Miles, Agricultural Chaplain in Suffolk. **Diocesan Director of Education, Jane Sheat, retires**

Jane Sheat is retiring as Diocesan Director of Education (DDE) for the Diocese of St Edmundsbury and Ipswich at the end of this academic year. Jane will have served in the role for 16 years since 2010.

Jane says:

*"It has been an absolute pleasure and a privilege to serve as DDE. Over the years I have worked with an incredibly talented team and with fabulous headteachers and governors in our 87 church schools throughout Suffolk.*

*When I started, it was the very beginning of the establishment of academies and there have been many changes and challenges in the education landscape over the years. Throughout that time, our church schools have done an incredible job of providing a high quality of education underpinned by Christian values. My job has been to ensure that as a diocese we provide effective training and support so that pupils and adults in all our church schools flourish. I am particularly proud of our RE*

*teaching resource, the Emmanuel Project which is widely used by teachers in Suffolk and beyond, and of having established our Diocesan Multi Academy Trust. I am also pleased to have developed partnerships with organisations like Christian Aid and iSingPop.*

*I have loved this role and will miss the people with whom I work but feel that the time is right to retire this summer. I look forward to this next stage of life, and to continuing to serve God, whatever He has in store!"*

## Planning for Growth

As a diocese, we have been encouraging the use of Plans for Growth for a number of years. During 2025, we reviewed our processes for Plans for Growth at both deanery and benefice level and we are thrilled to be offering a new package to support our parishes to make it easier to complete your plan for growth including:

- Why Planning for Growth is a good idea
  - What do we mean by growth?
  - Ways to approach developing a Plan for Growth at benefice level
  - How does Planning for Growth work for new worshipping communities?
  - How will Deanery-level Planning for Growth work under the new process?
  - How Planning for Growth connects with other resources and initiatives
  - Support, resources and reference material to help with Planning for Growth
  - Planning for Growth FAQs
  - New easy to use templates to use

One of the important things we do in Planning for Growth is taking time to discern what God is doing in our churches and communities, and to hear what he is inviting us to do. We need to take time to see which way the wind of the Spirit is blowing, and that then shapes our plans. You may be completing a Plan for Growth for the first time, but where a previous Plan for Growth is in place, this is a great opportunity to review the existing plan, and discuss what has been actioned, what hasn't moved forward, and what else has

happened that wasn't in the plan.

We are really looking forward to reading your plans and offering you support in achieving them. Advice, support and practical help is available from the Mission and Ministry Team, Diocesan Mission Enabler, the Revd [Katie de Bourcier](#). All the resources are available on Insight [here](#).

### Envoy Spaces, Suffolk

Envoy Spaces is the new home of Pioneering and Evangelism within our Mission and Ministry Team. Through different gatherings and small groups, we explore together what it means to live and share our faith well, within a mixed ecology of church; honouring and blessing the unique gifts that long-established and newly-pioneered ways both bring. We seek to discover together relational ways to share our faith in the everyday of life, in word and in action, sensitive to

personality, to context and to need. Projects include:

- a day / half-day session focused on mapping, exploring and reflecting on our own faith journeys
- joining a small Envoy Community focused on growing in the Envoy Practice of Abundance: noticing, naming and valuing in one another what God is doing and the gifts God has given and embracing the Envoy Practice of 4-Fold listening: to God, self, each other and our own context. Envoy groups seek to release in each other our own unique gift of evangelism, how God is inviting each one of us to share his love with those we encounter in the everyday of life
- Pioneer Envoy which explores discerning how God is already at work in the community and inviting us to join in, creating different ways of being church together.

Envoy Spaces, Suffolk is a partnership with Church Army. To contact the Envoy Spaces, Suffolk team please email [Gail Southgate](#), Lead Pioneering and Evangelism Enabler, or [Bob Hamilton](#), Pioneering and Evangelism Enabler. Or visit our Insight page [here](#).

## Energy Footprint Tool launched on 12 January 2026

The Energy Footprint Tool (EFT) is now open for churches to enter energy use from 2025. Every footprint we leave behind shapes God's creation. Recording your energy use is an unseen but essential act of caring for people and the planet. Completing the EFT is a simple but powerful way to support the Church of England's shared journey to net zero. Each year's data builds a clearer picture of our carbon footprint and helps us act more strategically together. Complete your EFT on the Parish Returns Portal [here](#). If you require log-in details or any other assistance with the online portal, please email [statistics@cofesuffolk.org](mailto:statistics@cofesuffolk.org). If you need help with the EFT please email [James Rolls](#), our Net Zero Carbon Officer.

This course looks at the beginnings of what became Christianity, in the writings of the New Testament, and explores their narrative features. The New Testament writers passed on the gospel of Jesus Christ not as a collection of facts or doctrines, but as a series of stories that shaped people's lives. Churches will be notified by the middle of February if they have been successful and will need to send us a picture of the installed device to use in our promotion materials.

**Listed Places of Worship Grant Scheme:** The Listed Places of Worship Grant Scheme (LPWGS) closes on the 31 March this year (or earlier if the remaining £6m is claimed, whichever is sooner). If you can, claim now! The scheme allows listed places of worship of all faiths across the UK to reclaim the full amount of VAT they pay on repairs over £1,000. A good way to keep this in the forefront of the government's mind is for churches to thank their MP and invite them to see the works they have completed. The LPWG Scheme has attracted strong parliamentary interest and churches need the certainty of funding available from 1 April 2026.
