National Safeguarding Audit

The independent safeguarding audit programme for the Church of England was commissioned by the Archbishops' Council and is overseen by the Church of England's National Safeguarding Team (NST). Led by the INEQE Safeguarding Group and working to a consistent framework, the audits test the sufficiency of safeguarding arrangements within CofE dioceses and cathedrals.

The audit for the Diocese of St Edmundsbury and Ipswich has begun with evidence gathering from the last 12 months. This must be submitted to INEQE by 6 August 2025. INEQE will then visit the Diocese in the Autumn to carry out in-person interviews. Can you help us with the audit?

As part of the collection of evidence INEQE has requested that we ask people to complete a survey with their views on safeguarding in the Diocese. The surveys are anonymous and will only be seen by the auditors. A summary of findings will be included in the final report. There are several surveys to represent the diverse groups of people across the Diocese. Please complete any which you feel are applicable to you, the link below will take you to the surveys, where you can choose the one(s) relevant to you. All surveys need to be submitted by 6 August 2025.

Safeguarding good practice: If you have examples of posters, noticeboards or handbooks or guidelines that you are using in your parish, we would love to see them. Please send your good examples, as pdfs or photographs to alison.baalham@cofesuffolk.org, so we can celebrate your successes.

Bishop Graeme on the importance of Safeguarding

Growth Fund Opportunities: The Diocesan Growth Fund offers grants of up to £1,500 to churches to support them in implementing their Plans for Growth. Parishes are using this funding in all sorts of creative ways to take forward mission in their local communities. We'd love to receive applications from more churches, especially those who haven't applied before. To find out more about the Growth Fund visit our website [here](#).

Global Neighbours award: We are delighted to announce that Sir Robert Hitchams CE Primary has won a bronze Global Neighbours award. This award is hard won and shows a school's commitment to developing their pupils as agents of change who seek justice, taking their place as global citizens. The Global Neighbours accreditation scheme is offered by Christian Aid and is in partnership with the Church of England's Education Office, to encourage a deeper understanding of global injustice and equip school pupils across England to tackle this and become courageous advocates for change.
