

What do *you* find through church!

Bishop Martin and Bishop Mike invite you to join our new campaign 'What do *you* find through church?'. We want to encourage people to find out more about the work of the church in their local community.

"As God's Church we are also called to communicate to our world, not least God's love and truth in Jesus. And good communication is essential for our calling to be effective" Bishop Mike.

Our campaign tells the stories of four Suffolk residents, starting with René.

Peace

That hour on a Sunday morning is a point of *peace in the week*.

René Moor, Optician

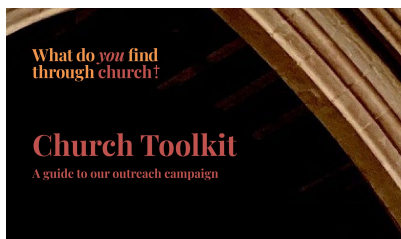

René rediscovered church in his 30s, and was nervous. What would he find behind those big oak doors? He received a warm welcome and loves the routines and reflection that this church allows in his increasingly pressurised life. That hour on a Sunday morning is a point of peace in the week.

Bishop Mike said: *"We are looking to create awareness and engagement with the work we do as we emerge from the pandemic, especially where such awareness may be lacking in the wider community. We hope that the stories will resonate with others and perhaps even stimulate new or fresh engagement"*

with local Christian communities.
