## **The Welcome and Enthronement of the Right Revd Dr Joanne Woolway Grenfell**

More than 800 well wishers along with young people and Bishops from Tanzania packed Suffolk's cathedral for a service of welcome and enthronement for the 12th Bishop of St Edmundsbury and Ipswich.

The service of welcome and enthronement was held on Saturday 24 January in St Edmundsbury Cathedral, Bury St Edmunds.

Bishop Joanne, who will also enter the House of Lords next month and is based in Ipswich, said: *"When it was first announced that I would become Bishop, I visited Suffolk. I was immediately encouraged by the warmest of welcomes offered to me from parishioners in their communities. This service marks my beginning as Bishop and I had been looking forward to meeting so many people there. I now look forward to building on this welcome, strengthening our ties throughout Suffolk and supporting the Church to be the light of Jesus Christ in every community."*

When Bishop Joanne first visited Suffolk after her appointment was announced last year she met young children at St Michael's Church, Framlingham, and was entertained by the Sing Praise group. These children performed in the service and teenagers had also been invited to ask Bishop Joanne what her role entails during the service, which had a strong element of young people being involved.

During December Bishop Joanne paid homage to King Charles III in a private ceremony in Buckingham Palace as part of her new appointment. She will enter the House of Lords next month as a member of the Lords Spiritual, championing the cause of Suffolk in a variety of topics.

### **Agricultural Chaplaincy**

We give our heartfelt thanks to Graham Miles for his faithful and compassionate service as Diocesan Agricultural Chaplain as he leaves to step into a new role, leading Farmers Support UK. Graham has been a valued presence alongside our farming community, offering pastoral care, understanding, and advocacy during times of both challenge and change. We are deeply grateful for the commitment and wisdom he has brought to this ministry.

The diocese remains firmly committed to supporting our farming and fisheries community. The Agricultural Chaplaincy Steering Group will continue its work and will develop the chaplaincy over the coming months to ensure this vital support remains strong and responsive. Archdeacon Rich, Chair of the Steering Group, said: *"Graham has laid strong foundations for this work, and we thank him sincerely. As a diocese we are committed to building on this legacy and to walking alongside those who work the land and sea, listening carefully and responding faithfully to their needs."*

**Draw Near: Life-giving habits for Lent:** *'Draw near to God, and he will draw near to you.'* James 4.8

The Church of England's theme for Lent 2026 is Draw Near: Life-giving habits for Lent. This year's resources have at their heart the theme of a 'rhythm of life' – habits and patterns which help us grow as disciples of Christ day by day, especially as we prepare to celebrate the great mystery of God's saving love at Easter.

During Lent, reflections are centred around a summary of the Christian Way from Common Worship, which identifies six activities essential to our calling as disciples. Each week a different contributor explores a different aspect of Christian discipleship – worshipping together, praying, exploring the Bible,

sharing communion, offering service and sharing the good news with others. Resources include:

- A 40-day challenge for families and children - exploring the life-giving habit of generosity produced in partnership with [40acts \(brought to you by Stewardship\)](#)
- Booklets for adults, available from [Church House Publishing](#).
- The [Everyday Faith app](#) will carry reflections for adults every Monday to Saturday throughout Lent.

These and schools materials and webinars are listed on the Church of England website here: [Draw Near: Life-giving habits for Lent](#)

This course looks at the beginnings of what became Christianity, in the writings of the New Testament, and explores their narrative features. The New Testament writers passed on the gospel of Jesus Christ not as a collection of facts or doctrines, but as a series of stories that shaped people's lives.
