Message from Bishop Martin - Blue Tongue

We are all aware of the rapid rise in blue tongue infections amongst livestock in our region, and the need for more support for farmers and related businesses who face the devastating impact of blue tongue disease amongst livestock.

The disease, which affects cattle, sheep, goats and deer, has now been found in animals in Suffolk, Norfolk and Essex leading to the imposing of severe movement restrictions on livestock covering most of East Anglia.

This disease is deadly for the animals, and the movement restrictions mean farmers cannot take their animals to market. This severely affects the livelihood and well being of farmers and their families, as well as those in businesses that support our agriculture.

I am very grateful to Graham Miles, our agricultural chaplain, for the support he is giving farmers affected by this.

The disease is transmitted by midges and so controlling infection is particularly challenging. We have been anticipating for some time that blue tongue could come to this part of the world since it has been present in midges the other side of the North Sea and it was only a matter of time before they reached us.

What we need now is much more support for farmers and others who are suffering from the impact both of the disease in their livestock and the consequent restrictions on moving their farm animals. Please pray for our farmers and their families.

Vacancy in See

With Bishop Martin's retirement planned for the end of February 2025, a discernment process is underway to find the next Bishop of St Edmundsbury and Ipswich. We are grateful for the wide ranging and fruitful participation of the consultations which have taken place across our diocese.

This consultation has enabled a sub-group of the Vacancy in See Committee to shape those many contributions into a Statement of Needs document. The production of this

Statement of Needs was underpinned in prayer and the document was considered by the Vacancy in See committee, following several meetings, for a final time on Tuesday 27 August. We are delighted to say that the Statement of Needs was unanimously adopted and we are very grateful for the whole of the Vacancy in See Committee who worked so hard to bring us to this point.

The Statement of Needs is now available to view on our website [here](#).

The second key task of the Vacancy in See Committee has been to elect six people from the Committee to represent the Diocese on the Crown Nominations Commission. This is the Commission which shortlists and interviews prospective candidates. It is made up of 14 members - six elected from the Diocese, six General Synod members and both Archbishops. The CNC elections took place and the six people elected from the Diocese are:

- Tony Allwood
- Scarlett Blacker
- The Very Revd Joe Hawes
- David Lamming
- The Revd Tom Mumford
- The Revd Canon Sharon Potter

Please keep them in your prayers and continue to pray for the Diocese over the coming months as the discernment process continues.

Heavenly Father,
send us a bishop
grounded in your love,
a shepherd after your own heart,
a follower of your Way
and a teacher of your Word.

Through the wisdom and direction
of your Holy Spirit
enable us so to recognise them;
that we appoint
not the one we think we want,
but the one you are calling.
Through your Son,
our Saviour, Jesus Christ,
Amen.

If you have any queries or comment, please contact, [Gary Peverley](#), Secretary to the Vacancy in See Committee.

Minor Repairs Grants

Minor Repairs and
Improvement Grants

The Church of England has a Buildings for Mission initiative and recently provided funds to the Diocese of St Edmundsbury and Ipswich. The funds will focus on small-scale but urgent works and 'stitch in time' projects that could save larger sums in the long-term. The fund

will also be able to help cover the cost of essential improvements for the mission and

ministry of a church. The grants come from the £11 million Buildings for Mission, funded by the Church Commissioners and administered by the Archbishops' Council over the period 2023 to 2025.

Toby Hart, has been appointed as Diocesan Church Buildings Support Officer to administer the fund and the intention is to ensure that the application process is simple and that the grants are awarded quickly. Funds need to be given to parishes by the end of 2025.

Full information on the grants programme, key dates, eligibility, how to apply and the application form are all available on our website [here](#).

We welcome applications from any consecrated church or licenced place of worship in the diocese needing repairs or wishing to make improvements to the building. We can also support expert surveys and reports, or things like scaffolding that enable repairs or improvements. We will give special consideration to any church that is on the Heritage at Risk Register.

If you require further information please contact Toby Hart by email: toby.hart@cofesuffolk.org

Paintings tell hospice's story of support, compassion and hope

7 September - 14 October

Eight pieces of art touring Suffolk are bringing the hospice charity's message into the community as it celebrates 40 years of caring for the people of West Suffolk and Thetford.

Michael Pollington, St Nicholas Hospice Care's Corporate Governance Manager & IG Lead, has created a series of striking paintings '*Darkness to Light*' to illustrate how the hospice has helped to support so many people facing dying, death and grief over the past 40 years.

Michael spent three months and over 200 hours of his own time creating the artwork, which as well as being displayed at numerous venues over the coming months has already been exhibited in St Edmundsbury Cathedral as part of a special service to mark four decades of St Nic's, and it has also been on show in West Suffolk Hospital.

In the coming weeks the artwork will be able to be viewed at the following locations:

- Garland Street Baptist Church, Pump Lane, Bury St Edmunds on September 7,
- Haverhill Methodist Church, 28 Camps Road, Haverhill, from September 10-16,
- St Mary's Church, High Street, Haverhill, from September 17-30,
