TOGETHER we are listening

Attuning our hearts to God's voice as we listen, discern, and step into the future together.

Living God,

Speak to your Church in this season of listening and deepen our life in Christ.

As we give thanks for the growth you have begun, open our hearts to your voice and lead us by your Spirit into the future you prepare.

Amen.

Breath prayer

Living God, open our hearts to your voice.

TOGETHER we are listening

"Since arriving in Suffolk, I've been struck by how deeply the Growing in God vision is embedded across our Diocese.

As your Bishop, I have a valuable opportunity to pause, to listen afresh to you, and to hear with you what God is saying, and to be attentive to what is happening in the life of our communities.

Together We are Listening is an invitation to everyone in the Diocese to engage in a rhythm of prayer throughout the process of listening and discernment that will shape our future strategy.

I warmly invite you to take part and to respond to some key questions so that we can better understand where we are as a Church now - our gifts, our resources, our challenges, and the opportunities ahead."

As you pray, pause, and pay attention, you may sense:

- a word or phrase
- a picture or image
- a nudge or prompting
- a word of Scripture that stands out
- a theme that keeps returning
- a hope, concern, or question
- something God is already growing

What might God be drawing to our attention - individually or together as a Diocese?
